## Champagne Silk Renewal Complex™

Natural Base	6
Balayage Colour	Alpine Blonding Creme + 4.5% Alpine Developer (1:1.5)
Global Toner	Champagne Toner + 3% LH Developer (1:1.5)

1. Protect the hairline with skin protection cream.
2. Take almost horizontal sections in the interior that are 5cm across and 2.5cm deep.
3. Using an angled colour brush, apply Alpine Blonding Creme + 4.5 Alpine developer (1:1.5) into a 'V' shape.
4. Process colour visually for up to 50 minutes.
5. Rinse, shampoo, and condition.
6. Apply Champagne Toner + 3% LH developer (1:1.5) globally.
7. Process visually for up to 10 minutes.
8. Rinse, lightly shampoo, and condition.
9. To style, apply mousse and dry in. Next, spritz with thermal protection and curl back off the face with a large flat iron.
10. Allow to cool and brush through.
