### Silk Renewal Complex™

Natural Base	6
Ombre Ends	LH Colour Remover Phase 1 + 2
Roots to Mids	6.021 + 3% LH Developer (1:1.5)
Ombre Ends Recolouration	9.13 + 6% LH Developer (1:1.5)

1. Protect the hairline with skin protection cream.
2. Mix equal parts of LH Colour Remover Phase 1 and Phase 2 in a non metallic bowl.
3. Stir the mixture for at least 1 minute.
4. Apply to dry mid lengths and ends in a 'V' shape.
5. Process for up to 20 minutes with heat or up to 30 minutes without.
6. Rinse and shampoo 3 times.
7. Pour 45ml of 3% LH developer to the area and leave for 5 minutes.  
\*NOTE If the hair darkens again, rinse immediately and reapply LH Colour Remover.
8. Rinse thoroughly and blast dry.
9. Apply 6.021 + 3% LH developer (1:1.5) from roots to mid lengths on darkest areas only.
10. Immediately apply 9.13 + 6% LH developer (1:1.5) on lightest areas and process visually for 10 - 20 minutes.
11. Rinse, lightly shampoo and condition.
